

FORKON ROBOTICS

COOKIE POLICY AND INFORMATION NOTICE

1. Purpose and Scope

This Cookie Policy and Information Notice (the “Policy”) has been prepared for the purpose of informing users visiting the forkonrobotics.com website (the “Website”), operated by Forkon Robotik Teknoloji Sanayi ve Ticaret A.Ş. (“Forkon Robotics” or the “Company”), about the use of cookies and similar technologies.

Cookies are small text files that may be stored on computers, tablets, phones or similar devices while websites are being visited and that enable a website to perform certain functions.

2. Data Controller

The data controller within the scope of the Personal Data Protection Law No. 6698 (“KVKK”) is Forkon Robotik Teknoloji Sanayi ve Ticaret A.Ş. (“Forkon Robotics”).

Should personal data be processed on the Website through cookies or similar technologies, such data processing activities shall be carried out in compliance with the KVKK and the relevant legislation.

3. Types of Cookies

3.1. Cookies by Retention Period

Session cookies are cookies that are used for the duration of the browser session and are deleted when the session ends. Persistent cookies, on the other hand, are cookies that may be stored on the device for the period specified for the relevant cookie or until they are deleted by the user.

3.2. Cookies by Party

First-party cookies are cookies that may be placed directly by the website being visited, whereas third-party cookies are cookies that may be placed by third-party service providers integrated into the website.

4. Cookies by Purpose of Use and the Current Status on the Forkon Robotics Website

No cookies whatsoever are currently used on the Forkon Robotics Website.

4.1. Strictly Necessary Cookies

Strictly necessary cookies are cookies that may be used to enable the basic functions of a website, to ensure its security and to carry out essential functions such as sessions. Strictly necessary cookies are not currently used on the Forkon Robotics Website.

4.2. Functional Cookies

Functional cookies are cookies that may be used to remember user preferences such as language, region, display or similar settings, and to offer additional functions on the website. Functional cookies are not currently used on the Forkon Robotics Website.

4.3. Performance / Analytics Cookies

Performance or analytics cookies are cookies that may be used to measure and improve the performance of a website on the basis of data such as the number of visitors, the pages visited, the

time spent on the website and usage behavior. Performance or analytics cookies are not currently used on the Forkon Robotics Website. Google Analytics or similar analytics tools are not used.

4.4. Advertising / Marketing Cookies

Advertising or marketing cookies are cookies that may be used to deliver content and advertisements tailored to users' interests, to measure the effectiveness of advertising campaigns and to carry out retargeting activities. Advertising or marketing cookies are not currently used on the Forkon Robotics Website. Meta Pixel, LinkedIn Insight Tag or similar marketing and tracking technologies are not used.

Furthermore, there is currently no practice on the Website whereby cookies or tracking technologies are run through YouTube or similar third-party services.

5. Processing of Personal Data through Cookies

Since no cookies whatsoever are currently used on the Website, no personal data is collected or processed through cookies during visits to the Website.

Therefore, with respect to the current technical structure, there is no data processing activity relating to the use of cookies that requires obtaining the user's explicit consent, and furthermore, no "Accept / Reject" cookie preference mechanism is used.

6. Transfer of Personal Data

Since third-party analytics, tracking, functional or advertising/marketing cookies are not currently used on the Website, no personal data obtained through cookies is transferred to third parties or abroad.

7. Managing Cookie Preferences

Since cookies are not currently used on the Website, there are no cookie preferences that need to be managed by the user.

Should cookies requiring explicit consent begin to be used in the future, such cookies shall not be activated without obtaining the user's preference, and the user shall be provided with an appropriate cookie management mechanism enabling them to accept or reject cookies and to change their preferences at a later time.

8. Changes to the Use of Cookies

Should Forkon Robotics, in the future, add to the Website Google Analytics, advertising/marketing tools, third-party services, or new functions that may result in the use of cookies or similar technologies, the technical structure of the Website shall be re-evaluated and this Policy shall be updated in line with the technologies actually in use.

In this context, the name, category, provider, purpose of use, retention period and legal basis of the cookies used, as well as any matters concerning data transfers to third parties or abroad, if any, shall be made available to users in accordance with the relevant legislation.

9. Your Rights under Article 11 of the KVKK

Under Article 11 of the KVKK, you have the right to: learn whether your personal data is being processed; request information in this regard if it has been processed; learn the purpose of

processing and whether it is being used in accordance with its purpose; know the third parties, in Türkiye or abroad, to whom your personal data has been transferred; request rectification if it has been processed incompletely or inaccurately; request its erasure or destruction where the conditions set forth in the Law are met; request that the rectification, erasure or destruction be notified to the third parties to whom the personal data has been transferred; object to the occurrence of a result against you through the analysis of the processed data exclusively by means of automated systems; and request compensation for damages in the event that you suffer damage due to the unlawful processing of your personal data.

You may submit your applications regarding these rights to Forkon Robotics in accordance with the procedures set forth in the KVKK and the relevant legislation.
